

NOTICE TO ALL VILLAGE RESIDENTS

1. PLEASE ONLY FLUSH TOILET PAPER

THE VILLAGE'S OLD SYSTEM CAN NOT HANDLE EVERYONE FLUSHING DISINFECTANT DISPOSABLE WIPES. ABSOLUTELY NOTHING THAT SHOULD BE FLUSHED SHOULD BE IN THE SYSTEM.

NO WIPES NO FEMININE PRODUCTS
NO PAPER TOWELS NO CLOTH RAGS

2. Cardboard is to be put out along with regular garbage and recyclables on Tuesday due to the Covid-19 restrictions being placed on us.

Garbage runs will be on Tuesday only, no 1st & 3rd Friday for cardboard and paper until restrictions are lifted.

3. Each family will have **ONLY 1** free 30-gallon bag picked up without a sticker. All other bags still require the normal green sticker. Stickers may be purchased at McNan's Variety Deli on Main Street or you may send a self-addressed envelope with postage and check or money order to Village of Philmont, P.O. Box 822, Philmont, NY 12565 and your stickers will be mailed to you.

Only 30-gallon bags and smaller will be used for trash. All bags larger will be left at the curb and an orange violation sticker will be attached.

No over filling of bags is allowed. Overweight bags loaded with diapers & cat litter, etc will not be picked up. Please use a 15-gallon bag or small and use ½ a sticker for these items.

4. Recycling is to be in a container with drainage holes in the base so that rain may drain, no larger than 20" x 24" X 24".

When restrictions are lifted and we return to a bit more normalcy, all recycling must be in the above sized container or very similar. NO large garbage pails will be picked up for recyclables. No recycling placed in plastic bags will be allowed or picked up. Clear or colored does not matter, they are not an approved recyclable item.

Please refer to the Village Recycling protocol sheet available at McNan's or the Village office.

Thank you in advance for your cooperation!

Dave Siter

DPW Superintendent,

Water/Waste Water Superintendent
