AGENDA/MINUTES

PHILMONT CLIMATE SMART TASK FORCE

Wednesday, July 13, 2022, 5:00pm
Attendees:

1. Greetings and Introductions
2. Columbia County Environmental Management Council
3. What to do with $10k we may have qualified for by submitting paperwork on LED Streetlights and EV charging station. (Pre-approved project types include: solar installation, purchase of electric vehicles, additional EV charging stations, energy studies or building upgrades. Custom projects may also be proposed.)
4. Ecological Restoration Grant — Can we collaborate with the Library?
