**APPEAL FOR PHILMONT
CLIMATE SMART TASK FORCE
VOLUNTEERS**

In March of 2018, the Village of Philmont took the Climate Smart Communities Pledge. The next step in the Climate Smart Communities Program is to establish a Climate Smart Communities Task Force that includes members of the Village Board and members of the public. - Micro-hydro power generation (this is what put Philmont on the map)
 - Electric vehicles
 - District energy – community distributed generation
 - Community solar

 - Composting, solid waste, recycling
- If you're interested in volunteering to serve on Philmont's Climate Smart Task Force, please send an email to clerk@philmont.org, call (518) 672-7032, or send a letter of interest addressed to 'Clerk of the Village of Philmont'.
